- ~ The game begins at this time. If the game does not go into extra innings and there are no rain delays, it should conclude by 9:10 PM.

**In the event of inclement weather, we will still have the program. If the game is an official rainout, your ticket is still valid for the rescheduled game or another game date in accordance with the Detroit Tiger policies listed on the back of your game ticket and on the Tigers' web site.

**In the event that the Friday night game (May 9) is postponed and rescheduled as part of a doubleheader on Saturday, May 10, the HOME PLATE 2025 program will take place before first game. Game tickets will be honored for the first game.

All of our program participants are looking forward to being with us at HOME PLATE 2025. However, due to the nature of their professions, circumstances beyond their control (injuries, trades, schedule changes, etc.) could prevent one or all of them from being at the program. **IT IS UNLIKELY THIS WOULD HAPPEN.
